#1 Cloud Backup and DRaaS
Activate in Minutes — It's Built In!

$1,000 in FREE Cloud Services

Powered by Veeam Cloud & Services Provider (VCSP) Partners

Over 200,000 businesses rely on Veeam® on-premises backup and recovery, but many stop one step short of complete data protection. Take availability to the next level with cloud backup and DRaaS. The cloud is scalable and powerful, and Veeam makes leveraging the cloud easy and affordable. Now is the time to utilize it!

Extend Availability to the cloud with Veeam Cloud Connect, to ensure your business remains Always-On™.

Get $1,000 in Cloud Backup and DRaaS — for FREE!

Veeam and its partners are giving away $200 MILLION in Cloud Backup and DRaaS ($1,000 per customer).

This limited-time offer is available to all **Veeam Availability Suite™**, **Veeam Backup & Replication™** and **Veeam Backup Essentials™** end user customers with active Veeam maintenance contracts. View full Terms & Conditions.

Follow these 3 steps to get Cloud Connect services for FREE!

Register for $1,000 in FREE Cloud Backup and DRaaS	**Choose a provider**	**Setup and configure**
Register now and you'll receive a unique activation code in a matter of minutes, which you can then redeem for FREE Cloud Backup and DRaaS.	Talk with your trusted reseller to find the best cloud provider for you, and then give that provider your unique activation code.	After a few quick and easy configuration steps, you'll be sending your data off site to a cloud provider in minutes.
