

**Omnia Partners (formerly U.S. Communities) IT Products, Services, Solutions, and Related Products and Services Contract No. 4400006644**

**Service Category Pricing Discount Structure**

Discount from  
Insight's List Price

*Service category rates are utilized when the work to be performed is presented to the client on a single (1) or per unit (2+) basis based upon an agreed-to list of specific assumptions and work to be performed (e.g., Statement of Work). Discounts are offered at the project level only and are not applicable with travel/per diem charges.*

**Consulting Services:**

**15%**

*Consulting Services focus on assisting clients with the development of specific strategies, assessments, planning, design and implementation of solutions. These services include (but are not limited to): Collaboration, Data Protection, Data Center, Insight:License Advisor (I:LA), Networking, Office Productivity, SAM Services and Cloud Professional Services.*

**Deployment Services:**

**15%**

*Deployment Services focus on assisting clients in deploying and maintaining their IT environment. Services involved include (but are not limited to) helping our clients successfully manage every component of their deployment project to ensure project timelines, budgetary requirements, and customer satisfaction goals are met or exceeded. These services include both single and multi-site deployments.*

**Out-sourced Programs:**

**15%**

*Insight's Out-sourced Programs provide on premise (on-site) and centralized (managed) resources to effectively selective-source IT lifecycle functions. Through these services, Insight provides our clients with support and management of their enterprise IT assets with published SLA's and flexible pricing options such as fixed, per-unit, per-seat or monthly. Services typically include service desk, hardware and software provisioning, desk-side support, infrastructure support, warehousing & logistics, and centralized device repairs.*

**Maintenance Services:**

**10%**

*For clients who need specific assistance with managing portions of their IT infrastructure, Insight offers our maintenance services programs. These include both Field and Remote Based service options.*

**Lab/Integration Services:**

**1%**

*Leverage Insight's certified technicians to perform a wide variety of services from software imaging and hardware configuration to complex builds of rack servers and networks in Insight's state-of-the-art ISO 9001:2008 certified labs. We offer the highest level of customization possible including large-scale rollouts of workstations, servers and connectivity equipment, as well as hot-swap programs.*

**IT Asset Disposal:**

**1%**

*Insight's Asset Disposal Service consists of a comprehensive end-to-end Asset Disposition program for a wide variety of electronic materials. This service allows our clients to responsibly and securely dispose of their obsolete IT asset inventory.*

**Service Desk:**

**1%**

*Insight's Service Desk is a global, cost-effective, 24x7x365 staffed solution with the flexibility and scalability designed to meet business requirements and support end users effectively. Support services can be provided as a remote service from one of our on-shore services centers, as a dedicated on-site service, or as a hybrid model.*

**Remote Network and Security Managed Services:**

**1%**

*Through our Remote Networking Services, Insight provides our clients with 24/7 proactive monitoring and management of client network infrastructure which includes expert troubleshooting, network project support, day-to-day administration and operational reporting.*

**Other Services Not Listed Above**

**1%**

*As may be offered by Insight from time to time.*
